HAPPY NEW YEAR to you all. We hope 2016 is prosperous and enjoyable for each and every one of you!

BRAND NEW to Raptcha'u Hair & Beauty this month are **Shanghai Suzy** lipsticks!

Shanghai Suzy is a lipstick only, seasonal cosmetics brand, meaning each lipstick released is limited edition and only available for that season, until the new season collection comes out.

Reasons we **LOVE** the Shanghai Suzy range:

- The lipsticks have a grape, bubblegum scent.
- The brand is Australian owned.
- The products are NOT tested on animals and contain no animal-derived ingredients.
- They retail for only $12.95 each.
- They are super comfortable on the lips.
- They provide colours that aren't traditionally available from other brands (This season we're loving the black and grey!).

New from Youngblood

Youngblood Pressed Eyeshadows are now available as duos! Each compact contains a base colour and a feature colour to enable you to create a completed eye look. **RRP. $37**

Also now available is the Lengthening Mineral Mascara in Cobalt Blue. The blue colour flatters every eye colour and brightens! Head in store to see how soft, subtle and brightening the blue mascara is. **RRP. $48.50**

NEW SOOTHING GEL FORMULATION

Powerful anti-oxidant White Tea has replaced green tea in ASAP Soothing Gel. A botanical hero that fights against the signs of ageing, White Tea also protects against free radicals.
You'll notice the gel is lighter in colour but the formulation remains otherwise unchanged.

GYM FOR THE SKIN

Our new ASAP Gym For The Skin tailors for a wide range of common skin concerns. Just like physical fitness, skin fitness requires dedication and clear direction, hence why Gym For The Skin can kick-start your long-term skin health solution. With five skin workouts to choose from (at **$99** each), you're sure to find the perfect treatment to suit you.

Rejuvenation Skin Workout: provides an instant recharge for dull skin and treats a range of skin concerns including dryness, skin congestion and break outs. A combination of effective exfoliation methods provide noticeable results and a refreshed, radiant complexion.

Clear Skin Workout: Treats acne from below the surface of the skin and clarifies, soothes and prevents skin impurities. Gentle exfoliation combined with optimum levels of glycolic acid will treat acne for oily and blemish prone skin.

Skin Refining Workout: Effectively treats uneven skin tone, sun damage, fine lines and wrinkles. This gentle and non-invasive workout is a potent weapon against skin ageing. Skin will be left feeling smoother with a soft, healthy glow.

Skin Pigmentation Workout: Delivers a brighter and more even complexion. Includes a fast-acting peel to combat pigmentation and sun damage while building collagen and boosting hydration of the skin.

Replenish Skin Workout: Provides the ultimate hydrating treatment for tired, dull or dry skin. Encourages beautifully hydrated skin, softened fine lines and a smooth, even surface.

If you aren't sure which Skin Workout would suit your skin best, have a chat to our lovely staff who can help you make the decision.
