## PROSKIN CLINIC

German technology has arrived at Proskin Clinic

Say goodbye to unwanted hair permanently. With the new Allegro machine, this state of the art German technology performs super fast and painless Permanent Hair Reduction on any skin type and most hair colours. It is non-invasive, safe and effective with long-term proven results. It also offers fantastic results for Skin Rejuvenation and Acne Treatments.

Finally we can treat white fuzzy facial hairs!

Carolyn's next in Monday 4<sup>th</sup> July and Monday 2<sup>nd</sup> August

## Oceana and Australian Masters Weightlifting Championships

On the 3<sup>rd</sup> and 4<sup>th</sup> of June Linda competed in the Oceana and Australian Masters Weightlifting Championships in Hobart. Bringing home 1 Gold medal for Australia and 2 Silver medals for Pacific Rim & Oceana.

Medals were for masters women age 40-44 in a -58kg weight class.

All of her hard work has paid off, we are very proud!
