BESTOW

BEAUTY FROM THE INSIDE OUT

We are delighted to introduce you to the first in our new Bestow Organic Tea Range – two beautifully blended therapeutic teas Luminositea and Eternitea.

Luminositea and Eternitea will support healthy skin from within. We invite you to embrace and further enhance your personal wellness journey. Enjoy Luminositea (your hydrating tea) in the morning to get the stimulating benefit of the low levels of non de-hydrating natural caffeine and to get your morning glow on!

Enjoy Eternitea (your anti-aging tea) in the afternoon. Instead of putting yourself on a sugar roller coaster at 3pm, drink this sugar stabilising tea and eat a small handful of nuts to sustain you through till dinner time.

50g Bestow Beauty Teas \$34.65 each

BESTOW BEAUTY POWDER is a delicious, beautifying blend of nutrient-rich plants, designed to bestow health and radiance to your skin.

This is a beauty powder unlike any other, because you apply it from within. It's an edible cosmetic, packed full of minerals, vitamins and amino acids, all of which are beneficial for skin, body, hair and nails.

This super-nourishing blend of flaxseed fibre, kelp, spirulina, wheatgrass, alfalfa, coconut, blackcurrant extract and pumpkin flour is highly nutritious, leaving skin feeling smoother, more velvety and more radiant. **\$54.95**

BESTOW BE CLEANSED is a blend of nature's super foods designed to bestow a clearer, more radiant complexion by encouraging the liver and bowel to gently eliminate toxins in a non-aggressive way.

Your skin tends to reflect what's happening on the inside. If your body isn't eliminating toxins efficiently, this can result in dull, devitalised skin, and can contribute to many skin disorders such as acne, blemishes and eczema. **\$65.95**
