FACIALS

We have 2 different categories for our Facials, pampering facials that are focused more on the sensory feel of a facial with more of a massage component to the facial (PAMP) these ones make great gift voucher experiences. We then have our more results driven facials with a focus on working on your skin concerns (RES). A few of our facials are a blend of both, they will be marked with a PAMP + RES.

Anti Ageing Facial - \$110 (PAMP + RES)

A deep cleanse, exfoliating mask and infusion of anti ageing ingredients into the skin followed by a calming alginate mask to help lock in the moisture.

Backacial - \$150 (RES)

A detoxing facial for the upper back to help decongest problematic skin with a deep cleanse, exfoliation and detoxing mask.

Barrier Repair Facial - \$90 (PAMP + RES)

Designed for the most sensitive skins, a gentle exfoliation with a fruit enzyme mask followed by a Hyaluronic Mask and LED Treatment and soothing, barrier repairing mask.

Deep Cleansing Facial - \$110 (RES)

A facial to deeply cleanse the skin using specific ingredients to exfoliate and clear the skin.

Dermafrac - \$220 (RES)

An advanced facial combining 3 different facials in 1, including a microdermabrasion to deeply exfoliate the skin, micro needling with a customised serum infusion and LED treatment to help combat the signs of ageing, help brighten the skin and refine the pores. A great option for those wanting needling without the downtime.

Dotless Plasma Lifting Facial - \$150 (RES)

A great pre event facial for instant plumping and smoothing of the skin. Skin is cleansed and exfoliated followed by our dotless plasma treatment that stimulates the Fibroblast cell, boosting the production of collagen and elastin in the skin to help lift, plump and smooth out the skin. We then infuse a hyaluronic serum into the skin and finish it with a hydrating alginate mask.

Epidermal Levelling & Mask \$130 (RES)

A great option for effectively removing the top layers of dead skin cells and vellus hair on the face using a surgical blade followed by an infusion of customised serums into the skin using sonophoresis for enhanced product infusion followed by an alginate mask to help soothe and hydrate the skin.

Epidermal Levelling \$90 (RES)

A stand alone treatment of removing vellus hair and dead skin cells from the face using a surgical blade.

Glowing Goddess \$149 (PAMP + RES)

Combining 2 popular facials, microdermabrasion and our anti ageing facial into the 1 convenient facial, a microdermabrasion to deeply exfoliate the skin followed by an infusion of serums into the deeper layers to help feed the skin cells some good nutrients followed by a cooling alginate mask to help soothe and refresh the skin.

Glycolic Peel \$80 (RES)

Renew and Hydrate the skin with our 40% Glycolic Peel to help soften fine lines and wrinkles, hydrate the skin and stimulate the formation of collagen and elastin. Also recommended for mild sun damaged skin and acne. Visible peeling is unlikely but can happen with this peel and a skin preparation is recommended with home care beforehand.

Lactic Peel \$85 (RES)

Renew & Refresh with our lactic peel recommended for dry, mature and sensitive skin types in need of hydration. This peel will soften fine lines and wrinkle, target pigmentation and sun damage and stimulate collagen and elastin leaving the skin feeling smooth and hydrated. Visible peeling is unlikely, however individuals respond differently to peel treatments and peeling may occur.

Peel Boost \$95 (RES)

Peel Boosts are customised to suit the individuals needs to boost exfoliation, cell regeneration, vitamin infusion and boost the skins barrier protection. We have an Acne Peel Boost, Hydrate and Restore Peel Boost and an Anti-Ageing Peel Boost.

Triple Action Peel \$120 (RES)

A multi-action resurfacing peel suitable for all skin types to help improve the appearance of fine lines, wrinkles and pigmentation and comfort the skin with hydration and antioxidant protection. Skin must be prepared beforehand for this treatment with appropriate home care.

Power Peel \$300 (RES)

Suited to those with ageing concerns, thickened or sun damaged skin, pigmentation, dullness, uneven texture or excess oil. A unique 3 step peel system that contains a powerful blend of actives including Konica Acid, Mandelic Acid, Glycolic Acid, Salicylic Acid, Retinol and Emblica that work synergistically to deliver improved skin texture, clarity and visibly brighter skin. Skin preparation is required for this treatment and price includes post treatment home care.

LED Facial \$75 (PAMP + RES)

Experience the power of LED light to repair and rejuvenate damaged cells within the skin, includes a cleanse and exfoliation.

LED Membership \$300 for 1 month

Receive unlimited LED treatments for 1 month, conditions apply.

Luxury Custom Facial \$100 (PAMP + RES)

A relaxing facial with a massage component to it and using essential oils and clay based mask for a hydrating and sensory experience.

Mask & Massage \$95 (PAMP)

One of our most popular gift voucher options for a facial, includes a half hour back massage and express facial with a strong massage component to it.

Microdermabrasion \$115 (RES)

Microdermabrasion removes the outer dead layer of skin, increases circulation and helps to clear blocked pores and has a lymphatic drainage effect on the skin.

Hydroabrasion \$120 (RES)

A form of wet microdermabrasion to deeply exfoliate the skin at the same time hydrate, plump and brighten dull skin.

Rejuvenation Facial \$80 (PAMP)

A relaxation facial including an exfoliation, customised mask and head, neck and shoulder massage.

Skin Consult \$50

Get an expert skin analysis and treatment plan, redeemable on product or treatment purchases.

Skin Needling \$250 (RES)

An advanced facial treatment also known as Micro Needling and is a form of Collagen Induction Therapy due to the production of collagen and elastin the treatment generates. Designed to improve the appearance of fine lines and wrinkles, acne scars and stretch marks on the body.

Skin Needling & Electroporation \$270 (RES)

The benefits of skin needling with the added benefit of electroporation, which when used with needling increases the effectiveness of needling by several hundred percent. A current is pulsed on the skin, opening channels facilitating the transfer of therapeutic active ingredients into the cells.

RF Facial Stand Alone \$180 (RES)

A non invasive facial using Tripollar RF for immediate lifting and tightening of the skin.

Plasma Fibroblast Treatment POA (RES)

A non invasive skin tightening treatment to tighten and lift the skin. Also known as soft surgery, achieving the same results as surgery without the cost, downtime or pain.

Oxy Facial and Infusion \$160 (packages available) (RES)

Our Geneo Oxy machine creates a gentle, non invasive exfoliation and oxygenation of the skin from within and product absorption to unclog pores, smooth the surface of the skin and increase the cellular renewal resulting in a more youthful complexion.

Super Oxy Facial \$250 (packages available) (RES)

Including the benefits of the Oxy Facial and Infusion with the added benefit of RF (Radio Frequency) where you get immediate results of lifting and tightening of the skin.
